

PRESS RELEASE

Exciting News! Howe Corporation will be Attending the ATMOsphere America Summit 2023

We are thrilled to announce that Howe Corporation will be attending the ATMOsphere America Summit 2023, taking place from June 12 - 13, 2023 at the Mayflower Hotel in Washington, DC. We, at Howe Corporation, are incredibly excited to join this prestigious event and discuss our latest innovations, products, and solutions to industry professionals and enthusiasts.

The ATMOsphere America Summit is renowned for gathering the best and brightest minds in the natural refrigerant industry, providing a platform for knowledge sharing, networking, and exploring cutting-edge advancements. As a leading player in our field, Howe Corporation couldn't miss the opportunity to engage with fellow experts, customers, and partners, and contribute to the collective progress of sustainable cooling solutions.

Learn about our most innovative offerings, highlighting how our solutions utilizing natural refrigerants can revolutionize the industry and address the evolving needs of our customers. We have dedicated a passionate team to this event, ready to engage in meaningful discussions, answer queries. Our team is looking forward to connecting and learning from your experiences, and explore potential collaborations that can shape the future of environmentally friendly refrigeration.
