

# EQUIPMENT FINANCING SOLUTIONS

Blue Street Capital specializes in providing flexible lease and finance options for companies of all sizes. From furniture, fixtures, equipment, software, professional services, installation, shipping costs and even sales tax, we can tailor a payment schedule to fit the needs of your business.

Blue Street Capital is the leading expert in equipment financing, removing complexity from the financing process. **We simplify financing using a three-pronged approach:**

## WE LISTEN

We want to be your **partner** - your success is our success. Our commitment extends far beyond transactions; it's about fostering a **relationship** that stands strong.

## WE STRUCTURE

**Complex Transactions** are our playground. The intricate puzzle pieces of your business are where we thrive, bringing clarity to the table. Often within just 24-48 hours, we can open the doors to the capital your needs. **Speed** is our specialty when it comes to quick capital access.

## WE DELIVER

**\$500k approvals with no financials.** Oftentimes, we only require a company name and a brief conversation with leadership for approval.

# BLUE STREET CAPITAL OFFERS:

- **Terms That Best Match Your Needs**
- **Monthly, Quarterly, or Annual Payments**
- **Transition from Capital Budget (CapX) to Operating Budget (OpX)**

## HOW DOES IT WORK?

**Call us when you need financing and we do the rest!**

### **Blue Street Capital Will Provide:**

- ▶ Project management throughout the entire project
- ▶ Consultative approach to managing budgets, cash flow and procurement strategy
- ▶ Ability to structure a single payment option for projects that include multiple vendors
- ▶ A responsive team dedicated to your success

With **two decades of industry experience**, Blue Street Capital is primed to support any equipment financing opportunity or challenge. Our track record speaks volumes.

Unlike banks, **we cover the “soft costs”** associated with equipment purchases, such as paying the technicians to install the equipment, training and IT services, and associated construction expenses.

**We don't have an 800 number on purpose.** We want you to call your Blue Street salesperson directly for a quick response - and an actual person.

**Call Us. We Are Ready.**
